Women and Sex Tourism Landscapes Erin Sanders-McDonagh 2016-08-12 Sexual spaces, normally inhabited by (mostly) female sex workers, are understood as masculine spaces, and positioned for and around male consumers. However, red light zones and public sex performances in both Thailand and Holland are being explored and visually consumed by female tourists in significant numbers. Their presence in red light districts and sexual venues is at odds with the ways in which sexual spaces have normally been positioned. Woman and Sex Tourism Landscapes explores female tourists' interactions with highly sexualized spaces and places in two very different contexts: the Netherlands and Thailand.

Addressing this incongruence, this text explores the ways in which these spaces are constructed, and examines the different relations that govern the management of, and female tourist interactions with these liminal, sexual zones.

Ethnographic data collected in both countries suggests that far from being male-centred spaces, the red light districts and associated sexual entertainment venues are very much open to female tourists. Drawing on this research the author argues that some women are indeed interested in exploring sexualized zones, challenging assumptions about women's involvements with sexual space. Thinking specifically about the visual nature of women's sexualized experiences, the analysis draws on a range of different theoretical understandings that address power, privilege, and the gaze. An important contribution to a range of debates, this book will appeal to students and researchers in tourism, geography, sociology, gender studies and cultural theory.

Thai Massage Manual Maria Mercati 2005-08 Thai Massage is the touch that enhances health, happiness, and wholeness--and with more than 150 expertly demonstrated sequences unfolding on these pages, everyone can enjoy its benefits. Sometimes called "yoga in action," Thai massage has worked its relaxing wonders for more than 1,000 years. Explore its secrets with a detailed program that includes ten complete lessons, each concentrating on a particular part of the body. Like other forms of massage, it employs a flowing sequence of stretches, but instead of using only your fingers, pressure is applied with the thumbs, palms, elbows, knees, and feet. Full-color photographs of every move match still shots with superimposed artwork that indicate the direction of the movements. Each technique is clearly explained and its benefits--from improved flexibility to increased vitality--detailed. "All of the techniques are shown in sharp color photographs that are pleasing to the eye. Descriptions of the techniques are clear."--Massage Therapy Journal.

Encyclopedia of Thai Massage C. Pierce Salguero 2011-12-01 Drawing from Thai history, cultural studies, Buddhist religion, and yogic practices, as well as a modern understanding of anatomy and physiology, this guidebook bridges the gap

between theory and practice while presenting bodywork as it is understood in Thailand—as a therapeutic medical science. Presenting detailed analysis of each step in a Thai massage routine, the history, spiritual traditions, and ethical codes are offered in an engaging, informal style. Numerous photographs and diagrams illustrate the variety of techniques used, and examples of routines for treating specific disorders are discussed. Updated with new layout, photos, and expanded text, this exhaustive handbook is complete with a section on the main energy meridians and diagrams of acupressure points, making it the perfect tool to accompany anyone studying this popular healing modality.

Thai Love Course Thailand Redcat 2016-08-16 Sure a lot of Thai girls are good in English especially hookers. But what if you want to ask a "normal" Thai girl out for a date? There are countless of nice Thai girls that have never dated a foreigner before but would love to if you can at least speak some basic Thai. Or think of all the university girls most of them don't speak English or are too shy but how if you tell them in Thai "You are cute, do you want to go for dinner with me?" Imagine how many more Thai girls you can meet if you know some really useful Thai vocabulary and phrases! Leaving alone to impress girls no matter if they speak English or not. And not just for arranging quick dates - if you are in a relationship with a Thai girl it does make sense to know how to ask her if she's horny or ask her to undress. You will learn all this and much more in this book. The Thai Love Course is divided into two parts: The first part is about teaching you all the language skills you need in order to talk to Thai girls confidently. There are 6 lessons: 1. Courting / Arranging a Date Learn everything from "What's your name?", "Where do you go?", "You are cute" to "Are you free tonight?" and "Do you want to have a meal together?" Step by step from the first thing you tell her to arranging a date. 2. During the Date / Bring her back to your room Once it's time to meet her and take her out for the date you will have a repertoire of more than enough questions and statements to convince her to go back to your or her room like "It's hot here, isn't it?", "Do you live alone?", "Do you want to watch a movie in my room?" and many more. 3. In the Apartment / Making Love The tools for your bedroom: "I love your skin", "Can I hug you?", "Can I kiss you?", "Don't be shy" to "What is your favorite position? ", "Does it hurt?", "That feels good?" are just a few things you will be able to tell your girl. 4. Talking about Feelings If you want to be able to ask your honey why she loves you as well as understanding her answer - this chapter provides all relevant words and phrases you need to know. Also including useful tools for pickup lines ("You are so kind", "I don't want to sleep alone", "Do you want to be my girlfriend?" etc). 5. Breaking up Sooner or later you may want to end the relationship with your Thai girl and rather than ignoring her messages there are several ways to tell her that it's over and also give a reason for it ("You don't care about me at all", "You barely call me", "It's better we break up" etc). 6. Talking to Bar Girls / Hookers There is not one foreigner that I know who comes to Thailand on holiday or lives here permanently and has not been in "contact" with Thai bar girls. So in the final chapter you'll find everything related to talking to bar girls and hookers ("What time do you finish work? ", "I want to take you outside", "How much do you want?", "That's too much" etc). You'll love this one. Each chapter has a list of relevant vocabulary followed by useful sentences for real conversations. Everything comes in English, Thai transliteration and Thai script. The second part is about understanding the way Thai girls are thinking and what they expect from you in a relationship. Plus bonus content including Pick Up Lines that really work and the most important Isaan Words.

Thai Yoga Massage Kam Thye Chow 2002-02-01 An authentic guide to Thai yoga massage, a unique therapy that combines stretching, breath work, assisted yoga postures, and pressure point therapy. • Includes more than 80 illustrations, 30 charts, and a complete series of postures for a two-hour full-body massage. • Author Kam Thye Chow has taught massage in Thailand and throughout Europe and North America. Until recently Thai yoga massage was virtually unknown in the West. It has its roots in both the ancient healing traditions of Ayurveda and Thai Buddhism. In this unique practice, the therapist gives a full-body massage that combines palming and thumbing along the Thai energy lines and pressure points with gentle stretching, movement, and breath work reminiscent of tai chi. Using his or her own hands, feet, arms, and legs, the practitioner gently guides the recipient through a series of yoga postures, creating a harmonious and therapeutic “dance” that leads to greater physical awareness, grace, and spiritual energy. In this comprehensive guide for practitioners, Kam Thye Chow leads readers through every aspect of this dance--from its history and philosophy to a detailed presentation of a complete Thai yoga massage session. This important reference includes more than 80 illustrated postures, 30 charts and drawings, and a complete series of postures for a two-hour full-body massage that focuses attention on both the upper and lower body, which receive equal stress in the Western lifestyle. Information on contraindications, anatomy, and physiology integrates Western medical knowledge and theory with this ancient tradition. Massage therapists, physical therapists, nurses, and other medical professionals will find Thai Yoga Massage an important and innovative complement to their practice.
