Propertius in Love Sextus Propertius 2002-06-03 These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

Lectures to My Students Charles H. Spurgeon 2010-05-18 One contemporary scholar and authority on Spurgeon says of this work: "Next to Mr. Spurgeon's great literary work, The Treasury of David, we consider (these) Lectures to My Students his greatest single contribution to the Christian world. There is more practical wisdom, common sense and sage advice packed within these pages than with any other book of similar size, or content." This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as: - The Call to Ministry - The Preacher's Private Prayer - On the Choice of a Text - On the Voice - The Holy Spirit in Connection with Our Ministry - The Blind Eye and the Deaf Ear - On Conversion as Our Aim - Illustrations in Preaching As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.

The Sibylline Oracles (Annotated Edition) Milton S. Terry 2012 This is the extended and annotated edition including  
\* an extensive annotation of almost 10.000 words about the oracles in religion \* an interactive table-of-contents \*

perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Only a Prayer Meeting C. H. Spurgeon 2010 A paperback edition. Spurgeon used to address his church at midweek meetings as well as the powerful sermons on Sundays. These addresses were generally more informal in tone and were designed to supply motivation for the church to pray. They are classic Spurgeon in a shorter format. This volume is divided into 4 sections and concludes with a hymn Spurgeon composed himself for morning prayer meetings. Section 1 - Addresses on prayer and prayer meetings Section 2 - Expositions of scripture Section 3 - Incidents and illustrations Section 4 - Addresses on practical matters in the church Together this collection is charming, challenging and cheering! If you wanted to find out how Spurgeon fuelled his church for everyday Christian living and a life of prayer then there is no better starting place.
