What are Journalists For? Jay Rosen 1999-01-01 He traces the intellectual roots of the movement and shows how journalism can be made vital again by rethinking exactly what journalists are for."--Jacket.

Look Both Ways Jason Reynolds 2020-10-27 "A collection of ten short stories that all take place in the same day about kids walking home from school"--

Maria's Island Victoria Hislop 2021 A dramatic and moving story set in the same world as the international bestseller *The Island* from the celebrated novelist Victoria Hislop. The absorbing story of the Cretan village of Plaka and the tiny, deserted island of Spinalonga - Greece's former leper colony - is told to us by Maria Petrakis, one of the children in the original version of *The Island*. She tells us of the ancient and misunderstood disease of leprosy, exploring the themes of stigma, shame and the treatment of those who are different, which are as relevant for children as adults. Gill Smith's rich, full-colour illustrations will transport the reader to the timeless and beautiful Greek landscape and Mediterranean seascape.

Homegoing Yaa Gyasi 2016-06-07 A NEW YORK TIMES NOTABLE BOOK • Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. One of Oprah's Best Books of the Year and a PEN/Hemingway award winner, *Homegoing* follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi's extraordinary novel illuminates slavery's troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

Steal You Away Victoria Ashley 2020-04-02 She belongs to my brother...I've stood back for years watching Dax repeatedly screw things up with Kennedy, as if he doesn't think anyone could ever swoop in and steal her away. Breakup after breakup, they always end up back together, even though I've always had a thing for her. I'm tired of waiting. He had his chance. I want mine. When Dixie's Alibi - her Grandmother's bar - needs a new cook for the food truck, I jump at the opportunity, despite the fact that Kennedy Ward hates me. At least, she pretends she does. We both know she secretly wants me and always has. One way or another, I will get her to finally admit it, even if it involves losing my brother. I plan to play dirty - real dirty - just like he did. This time I'm going to beat him at his own game. I wanted her first, and he knew that, but our age kept us apart. Not anymore. Now, I'm grown and ready to take what should've been mine to begin with.

The Men Who Lost America Andrew Jackson O'Shaughnessy 2013-06-11 Questioning popular belief, a historian and re-examines what exactly led to the British Empire's loss of the American Revolution. The loss of America was an unexpected defeat for the powerful British Empire. Common wisdom has held that incompetent military commanders and political leaders in Britain must have been to blame, but were they? This intriguing book makes a different argument. Weaving together the personal stories of ten prominent men who directed the British dimension of the war, historian Andrew O'Shaughnessy dispels the incompetence myth and uncovers the real reasons that rebellious colonials were able to achieve their surprising victory. In interlinked biographical chapters, the author follows the course of the war from the perspectives of King George III, Prime Minister Lord North, military leaders including General Burgoyne, the Earl of Sandwich, and others who, for the most part, led ably and even brilliantly. Victories were frequent, and in fact the British conquered every American city at some stage of the Revolutionary War. Yet roiling political complexities at home, combined with the fervency of the fighting Americans, proved fatal to the British war effort. The book concludes with a penetrating assessment of the years after Yorktown, when the British achieved victories against the French and Spanish, thereby keeping intact what remained of the British Empire. "A remarkable book about an important but curiously underappreciated subject: the British side of the American Revolution. With meticulous scholarship and an eloquent writing style, O'Shaughnessy gives us a fresh and compelling view of a critical aspect of the struggle that changed the world."—Jon Meacham, author of *Thomas Jefferson: The Art of Power*

Freeing Luka Victoria Aveline 2020-09-21 Luka has spent his life researching fertility in the hopes of discovering a cure for the Clecanians' low birth rates. After years of working tirelessly with little progress, he becomes enraged when he uncovers a sinister plot to abduct compatible species from their home planets. But before he can tell anyone what he's discovered, he's captured, drugged, and thrown in a cell. It's just Alice's luck that when she finally begins to get her life on track, she's kidnapped by reptilian creatures and forced into a cell with a fierce incoherent alien for some kind of breeding experiment. Even though they aren't able to communicate, Alice and Luka find solace in each other's company. As the days drag on, it becomes harder to keep her heart locked away, until she can't help but wonder what a life with Luka might look like outside their dark prison. When an opportunity to free herself, Luka, and the other human prisoners presents itself, Alice takes it. Once free, can Alice and Luka's tenuous relationship survive on this planet? Will the evil men that held them prisoner ever see justice? And can they play a part in the rescue of the other women being held captive around this strange new world? Alice knows only one thing for certain—her life will never be the same again.

The Love Hypothesis Ali Hazelwood 2021 Includes an excerpt from *Love on the Brain*.

If Beale Street Could Talk James Baldwin 2013-09-17 In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." —*The New Republic* Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

The Hardest Fall Ella Maise 2018-04-19 The first time you meet someone, you make eye contact. You smile, say hello. Should be simple, if you're anyone but me. The first time I met Dylan Reed, I found myself making eye contact with a different part of his body. You see, I'm very good at being shy, not to mention extremely well-versed in rambling nonsense and, unfortunately, rather highly skilled at making a fool of myself in front of a guy I'm attracted to. At the time, I knew nothing about him and thought none of what I said would matter since I'd never speak to him again. Turns out, I was very wrong. He was the star wide receiver of the football team, one of the few players expected to make it into the NFL, and I ended up seeing him all over campus. I might have also propositioned him, run away from him, attacked him with a cooking utensil...and...uh, maybe I shouldn't tell you all of it. It's pretty normal stuff, things you'd expect...from me. Eventually, the time came when I couldn't hide anymore—not that he'd have let me even if I tried. Before now, he never knew I was secretly watching him. Now that we see each other every day, he knows when I have a hard time looking away. It doesn't help that I'm not the most subtle person in the world either. He smiles at me and tells me he finds me fascinating because of my quirks. I can't even tell him that I think my heart beats differently whenever he's around. He thinks we're going to be best friends. I think I have a big thing for him, and the more I get to know him, the more I don't care that I'm not allowed to be his friend, let alone fall for him. The thing is, that's exactly what I'm doing—what we're doing, I think. Falling. Hard.

Dreaming of Mr. Darcy Victoria Connolly 2012-01-01 A Romance Worthy of Jane Austen Herself Praise for *A Weekend with Mr. Darcy*: "Sunshine on a rainy day. A charmingly written slice of warmhearted escapism." — Lisa Jewell, bestselling author of *Roommates Wanted* "Lively, funny characters ... the romances of this novel brilliantly reveal one thing that Miss Austen always knew: true love is often a complicated, but beautiful, mess." — *Luxury Reading* Fledgling illustrator and Darcy fanatic Kay Ashton settles in the seaside town of Lyme to finish her book, *The Illustrated Darcy*, when a film company arrives to make a new adaptation of Jane Austen's *Persuasion*. Kay is soon falling for the handsome bad boy actor playing Captain Wentworth, but it's the quiet screenwriter Adam Craig who has more in common with her beloved Mr. Darcy. Though still healing from a broken heart, Adam finds himself unexpectedly in love with Kay. But it will take more than good intentions to convince her that her real happy ending is with him.

White Teeth Zadie Smith 2001-01-25 Chosen by the Guardian as one of the Best Books of the 21st Century From the MAN BOOKER PRIZE- and WOMEN'S

PRIZE-SHORTLISTED author of *Swing Time*, *On Beauty* and *Grand Union* 'BELIEVE THE HYPE' The Times The international bestseller and modern classic of multicultural Britain - an unforgettable portrait of London One of the most talked about debut novels of all time, *White Teeth* is a funny, generous, big-hearted novel, adored by critics and readers alike. Dealing - among many other things - with friendship, love, war, three cultures and three families over three generations, one brown mouse, and the tricky way the past has of coming back and biting you on the ankle, it is a life-affirming, riotous must-read of a book. 'The almost preposterous talent was clear from the first pages' Julian Barnes, *Guardian* 'Street-smart and learned, sassy and philosophical all at the same time' *New York Times* 'Outstanding' *Sunday Telegraph*

King's Dream Eric J. Sundquist 2009-01-06 "Sundquist's careful, thoughtful study unearths new and fascinating evidence of the rhetorical traditions in King's speech."—Drew D. Hansen, author of *The Dream: Martin Luther King, Jr., and the Speech That Inspired a Nation* "I have a dream"—no words are more widely recognized, or more often repeated, than those called out from the steps of the Lincoln Memorial by Martin Luther King, Jr., in 1963. King's speech, elegantly structured and commanding in tone, has become shorthand not only for his own life but for the entire civil rights movement. In this new exploration of the "I Have a Dream" speech, Eric J. Sundquist places it in the history of American debates about racial justice—debates as old as the nation itself—and demonstrates how the speech, an exultant blend of grand poetry and powerful elocution, perfectly expressed the story of African American freedom. This book is the first to set King's speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory, as well as its essential historical contexts, from the early days of the republic through present-day Supreme Court rulings. At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause, Sundquist clarifies the transformative power of King's "Second Emancipation Proclamation" and its continuing relevance for contemporary arguments about equality. "The [I Have a Dream] speech and all that surrounds it—background and consequences—are brought magnificently to life . . . In this book he gives us drama and emotion, a powerful sense of history combined with illuminating scholarship."—*The New York Times Book Review* (Editor's Choice)

Hard Times for These Times Charles Dickens 1870

Harold and the Purple Crayon Crockett Johnson 2015-09-29 From beloved children's book creator Crockett Johnson comes the timeless classic *Harold and the Purple Crayon!* This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an oversized purple crayon, young Harold draws himself a landscape full of wonder and excitement. Harold and his trusty crayon travel through woods and across seas and past dragons before returning to bed, safe and sound. Full of funny twists and surprises, this charming story shows just how far your imagination can take you. "A satisfying artistic triumph." —Chris Van Allsburg, author-illustrator of *The Polar Express* Share this classic as a birthday, baby shower, or graduation gift!

Half Past Victoria Helen Stone 2017-09-19 At forty-five, Hannah Smith is at a crossroads. That's her spin on it. The reality is she's divorced, jobless, and moving back to her family home in Iowa to keep an eye on her mother, who's slipping into dementia. Her return stirs up the same unnerving sense of disconnect Hannah has felt since childhood—always the odd girl out, the loner outshone by her two older sisters. Hannah knew the feelings of hurt would come back. But she never expected fear. Because when her mother looks into her eyes and whispers, "You're not my daughter," Hannah is beginning to believe it's not just the rambling of a confused woman. It's the truth. Now Hannah's following the trail of a family mystery to the dark coast of Big Sur, where years ago a lie was born—and buried. As frightened as she is to unearth it, Hannah knows this is the last chance she has before her past—and all its terrible secrets—are lost forever.

Esio Trot Roald Dahl 2010 This treat of a reptile-inspired romance is revived by a fresh new cover look.

Found by You Victoria H. Smith 2014-06-23 He's noticed by everyone... Griffin Chandler. He's captain of our college's basketball team. I swear to God I've already seen him in a Nike ad, and he's one of the top picks when he goes pro following our spring graduation. His life is on display for the world. Both his accomplishments and demons there for judgment. I'm a girl who likes to play roller derby from, of all places, Wisconsin. My own demons better concealed. And one day... He notices me. Found by You is a new adult contemporary romance.

Archer's Voice Mia Sheridan 2016-11-01 Fall in love with this emotional *New York Times* bestselling romance between two tortured souls who find their chance at happiness in the most unexpected way. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived -- and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live.

Includes an exclusive extended epilogue from Archer's POV! Named one of the "Top Romance Novels of All Time" by Goodreads! A *New York Times*, USA Today, and *Wall Street Journal* bestseller!

Sugar Love Victoria H. Smith 2016-04-01 Sugar... That's some kind of name, isn't it? It wasn't any type of name I'd heard of, but across the world, it seemed I was the only one. You see, he's an international superstar, talented, sexy, and one day, he comes walking into my record store. He tells me he wants to buy some music, and later on, wants to get to know me a little better. I had no idea he was here for his American debut, nor that he was one of the most successful rappers South Korean music had ever seen. If I had, I might not have been so frazzled when I found out and accidentally kidnapped him. But then again... Maybe that wouldn't have mattered anyway.

Because You Love to Hate Me Amerie, 2017-07-11 A *New York Times* Bestseller This edgy anthology teams up acclaimed YA authors and popular YouTubers to create 13 fairy tales and 13 inspired works--all from a "villain's" perspective, in the vein of *Maleficent* or *Wicked*. Leave it to the heroes to save the world--villains just want to rule the world. In this unique YA anthology, thirteen acclaimed, bestselling authors team up with thirteen influential BookTubers to reimagine fairy tales from the oft-misunderstood villains' points of view. These fractured, unconventional spins on classics like "Medusa," Sherlock Holmes, and "Jack and the Beanstalk" provide a behind-the-curtain look at villains' acts of vengeance, defiance, and rage--and the pain, heartbreak, and sorrow that spurred them on. No fairy tale will ever seem quite the same again! Featuring writing from . . . Authors: Renée Ahdieh, Amerie, Soman Chainani, Susan Dennard, Sarah Enni, Marissa Meyer, Cindy Pon, Victoria Schwab, Samantha Shannon, Adam Silvera, Andrew Smith, April Genevieve Tucholke, and Nicola Yoon. BookTubers: Benjamin Alderson (Benjaminoftomes), Sasha Alsberg (abookutopia), Whitney Atkinson (WhittyNovels), Tina Burke (ChristinaReadsYA blog and TheLushables), Catriona Feeney (LittleBookOwl), Jesse George (JesseTheReader), Zoë Herdt (readbyzoë), Samantha Lane (Thoughts on Tomes), Sophia Lee (thebookbasement), Raeleen Lemay (padfootandprongs07), Regan Perusse (PeruseProject), Christine Riccio (polandbananasBOOKS), and Steph Sinclair & Kat Kennedy (Cuddlebuggy blog and channel).

THE FARMER'S MAGAZINE VOLUME THE FORTY-SEVENTH ROGERSON 1875

Big H and Little H Dog Victoria Smith 2021-08-14 A story with heart and humour that gently introduces disability and inclusion and the importance of friendship, kindness and perseverance to children aged 3-8 years.

Menfreya in the Morning Victoria Holt 2001 For Harriet Delvaney, the great house of Menfreya, standing like a fortress on the Cornish coast, had always been a citadel of happiness and high spirits. Not until she herself came to Menfreya as a bride did Harriet discover the secret family legend of infidelity, jealousy and murder. And not until the legend seemed to come dangerously to life did Harriet begin to believe the old story that when the tower clock of Menfreya stopped, someone was about to die . . .

All's Faire in Middle School Victoria Jamieson 2017 Homeschooled by Renaissance Fair enthusiasts, eleven-year-old Imogene has a hard time fitting in when her wish to enroll in public school is granted.

Only Love Victoria H. Smith 2014-11-09 ~ Aubrey ~ He's not what I expected. He's just... so much more than I imagined he'd be. Cops around here aren't exactly honorable, and yet, I found myself trusting the one in my own backyard, quite literally the floor above me. Still, my instincts have been wrong before. My heart tells me to let him in completely, to love him completely. But I learned to stop following my heart a long time ago. ~ Adam ~ She's locked up tight and won't let go. A single mother, she's bound by the struggles she hides from the world around her. These trials do nothing but burden her, test her in the worst possible way. But I have struggles of my own, secrets, and with their depth, they don't just test me. They consume me and have the capability of breaking me completely, of breaking us completely. ~ Aubrey & Adam ~ Only love will help us. Only love will save us.

Wreck My World Victoria Ashley 2019-06-12 "The feeling I have in this very moment, after not seeing her for so long, will haunt me forever, reminding me why I left to begin with." For as long as I can remember, Easton Crews has been off-limits. As much as it kills me, that's never going to change. After his little disappearing act three years ago, then suddenly showing up out of nowhere, I shouldn't want anything to do with him. It doesn't matter how beautiful he still is. Or how close we once were. It shouldn't matter that my entire body lights on fire with need whenever he gets close. He chose the worst possible time to leave without so much as a goodbye. However, just like the first day he walked into our home, I'm drawn to him, needing him near me just as badly as I need air to breathe, and I can't stand it. I want to hate him. I know I should hate him. But hating him is the last thing he'll let me do. I push, he pulls harder, until I'm

completely wrapped up in him, my mind lost in the one person who is forbidden—the one person I've always loved, even when he belonged to someone else. Easton was never meant to be mine. It took me years to come to terms with that and now that I finally have, he's here, right in front of me, more irresistible than ever. The part I fear the most about that—he's the one person capable of completely wrecking my world. "I'm not leaving until you take all of your hate out on me. Let me feel it. All of it. Every dirty look. Every nasty word. I will have it all before I leave. Stop hiding from me."

Sex Material Victoria Ashley 2018-11-21

British Farmer's Magazine 1875

Outrageous Neal Katz 2015-10 Women empowerment, overcoming adversity, social change, and hope were the cornerstones upon which Victoria Woodhull built her incredible life in Victorian America and Europe. OUTRAGEOUS, Rise to Riches traces Victoria from childhood poverty and horrific abuse to becoming one of the wealthiest women in America.

Scoundrel Sarah Weinman 2022-02-22 A Recommended Read from: The Los Angeles Times * Town and Country * The Seattle Times * Publishers Weekly * Lit Hub * Crime Reads * Alma From the author of The Real Lolita and editor of Unspeakable Acts, the astonishing story of a murderer who conned the people around him—including conservative thinker William F. Buckley—into helping set him free In the 1960s, Edgar Smith, in prison and sentenced to death for the murder of teenager Victoria Zielinski, struck up a correspondence with William F. Buckley, the founder of National Review. Buckley, who refused to believe that a man who supported the neoconservative movement could have committed such a heinous crime, began to advocate not only for Smith's life to be spared but also for his sentence to be overturned. So begins a bizarre and tragic tale of mid-century America. Sarah Weinman's Scoundrel leads us through the twists of fate and fortune that brought Smith to freedom, book deals, fame, and eventually to attempting murder again. In Smith, Weinman has uncovered a psychopath who slipped his way into public acclaim and acceptance before crashing down to earth once again. From the people Smith deceived—Buckley, the book editor who published his work, friends from back home, and the women who loved him—to Americans who were willing to buy into his lies, Weinman explores who in our world is accorded innocence, and how the public becomes complicit in the stories we tell one another. Scoundrel shows, with clear eyes and sympathy for all those who entered Smith's orbit, how and why he was able to manipulate, obfuscate, and make a mockery of both well-meaning people and the American criminal justice system. It tells a forgotten part of American history at the nexus of justice, prison reform, and civil rights, and exposes how one man's ill-conceived plan to set another man free came at the great expense of Edgar Smith's victims.

Hard and Reckless Victoria Ashley 2017-01-30 Cole King... the name alone leaves a bad taste in my mouth, a reminder of how he broke my trust in the worst way possible. My best friend of twenty fucking years. He had my back and I had his. Always. Until he crossed the line. Now visions of him sinking between my girl's legs, making her scream in all the ways only I should've been doing, haunt me, mixed with images of all the ways I can rip his damn throat out. I've tried to forget it and move on, but I can't. Ways to inflict even just a small portion of the pain he made me feel fucking consumes me. Somewhere in his fucked up, twisted mind, he thought it would be okay to share my girl. Now... Now, he gets to see what it feels like to share what is his. Brooke Collins... Hopefully she can handle both of us, because I intend to make Cole work for her. The hard part will be making sure she falls for the right one in the end. I don't intend for that to be me... At least, not until I get a taste of her. That one touch alone is enough to change the fucking game.

Yemen Victoria Clark 2010-02-23 "Yemen is the dark horse of the Middle East. Every so often it enters the headlines for one alarming reason or another -- links with al-Qaeda, kidnapped Westerners, explosive population growth -- then sinks into obscurity again. But, as Victoria Clark argues in this riveting book, we ignore Yemen at our peril. The poorest state in the Arab world, it is still dominated by its tribal makeup and has become a perfect breeding ground for insurgent and terrorist movements. Clark returns to the country where she was born to discover a perilously fragile state that deserves more of our understanding and attention. On a series of visits to Yemen between 2004 and 2009, she meets politicians, influential tribesmen, oil workers and jihadists as well as ordinary Yemenis. Untangling Yemen's history before examining the country's role in both al-Qaeda and the wider jihadist movement today, Clark presents a lively, clear, and up-to-date account of a little-known state whose chronic instability is increasingly engaging the general reader"--Publisher description.

Sarah Robert Gottlieb 2010-09-21 Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

Beautiful Savage Victoria Ashley 2018-05-21 JAXON KADE I can't breathe... I don't want to. With every breath that fills my lungs, I feel the pain she's fighting and it's killing me slowly, reminding me of the day she got ripped away. I've gone thirteen years without her, and as if she was never gone, she walks back into my life, feisty as h@ll and set on running from me. I refuse to let that happen. She's my Lex. It doesn't matter if I have to destroy everything in my path that leads to her-I will. I've been in love with her since the age of nine. I lost her once, and you better d@mn well believe that I will walk through the fires of Hell before losing her again. She's broken... Ripped apart by the world. I'm making it my mission to piece her back together again and claim her as mine. Every part of her sexy body has been possessed by me. I know she sees she's not the only one who has changed with time. I'm rough, savage, and just as damaged as she is. But there's one thing I'm capable of-always have been-and that is loving her. I promise to do everything in my power to show her, no matter what it takes or how much it hurts. ALEXANDRA ADAMS I never thought I'd lay eyes on Jax Kade again, and the moment I realized the rough, edgy man I allowed to take me home and have rough sex with me was him... my world came crashing down around me. I'm no good for him. Not for the sweet, protective Jax that took care of me back when no one else would. I'm damaged, unrepairable... I need medicine to escape this reality-the pills, c@aine, and liquor aren't even enough to numb the pain of my past. Years without Jax destroyed me-ruined me forever-and being back in his life will only ruin him the same. I could never do that to my beautiful Jax. I never meant to find him, and I sure as hell never meant to want him again as much as I did before we were ripped apart. It doesn't matter that I need to stay away from him. It doesn't matter that I fight to keep my distance. Jax refuses to let me go. He doesn't care how messed up I am. My biggest fear is destroying the only person I've ever been capable of loving, but he's not giving me any other choice...

The Love Con Seressia Glass 2021-12-14 A LibraryReads Pick! One of... Popsugar's Best New Romances Bustle and Bookish's Most Anticipated Books of December Library Journal's Best Romances of 2021 He's cosplaying as her boyfriend but their feelings for each other are real in this romantic comedy from Seressia Glass. Sometimes Kenya Davenport believes she was switched at the hospital—how else could a lover of anime, gaming, and cosplay come from STEM parents? Still, Kenya dreams of being able to turn her creative hobby into a career. She finally has a chance to make it big when she joins the reality show competition Cosplay or No Way. There's just one catch: the challenge for the final round is all about iconic pairs, and the judges want the contestants' significant others to participate. Unfortunately, Kenya is as single as can be at the moment. Luckily her best friend, Cameron Lassiter, agrees to be her fake boyfriend for the show. Roleplaying a couple in love will force them to explore what they're hiding under the mask of friendship. Can Kenya and Cam fake it until she makes it, or will she be real about her feelings, knowing it could cost her the best friend she's ever had?

According to Our Hearts Angela Onwuachi-Willig 2013-06-18 DIV This landmark book looks at what it means to be a multiracial couple in the United States today. According to Our Hearts begins with a look back at a 1925 case in which a two-month marriage ends with a man suing his wife for misrepresentation of her race, and shows how our society has yet to come to terms with interracial marriage. Angela Onwuachi-Willig examines the issue by drawing from a variety of sources, including her own experiences. She argues that housing law, family law, and employment law fail, in important ways, to protect multiracial couples. In a society in which marriage is used to give, withhold, and take away status—in the workplace and elsewhere—she says interracial couples are at a disadvantage, which is only exacerbated by current law. /div

The Way I Used to Be Amber Smith 2017-03-07 "After fourteen-year-old Eden is raped by her brother's best friend, she knows she'll never be the way she used to be"--
