The Moonsmith Gulzar: Orbiting the Celebrated Words Shailja Chandra 2021-11-16 I have passed through this surgery a number of times. Mostly it has been skin-deep only. This is the first time it's an open-heart surgery - and Shailja is the Surgeon. She has touched deep down at the core of my poems. Most books about my works have not gone beyond the film lyrics or some popular ghazals - considering the popular choice of the people. But Shailja has gone beyond that and touched the soul. That's why I wrote to her once, "Your work is the best work on my works, so far!" I still stand by that statement. - GULZAR The Moonsmith Gulzar revolves around Gulzar's writings on some of the most significant themes of existence. It's a tribute to the way he writes about the intricacies of inner lives, the inextricable connection with nature, and the obscure dimensions of our existence. Shailja Chandra unravels how Gulzar awakens us to the majesty of the mundane that we commonly neglect. Chandra explores the

profound depths of Gulzar's voice on each subject - to distill the essence where his signature poignancy, conscientiousness, or sagacity springs from.

Suspected Poems Gulzar 2017-01-27 For no particular reason He had the blue cow tattooed on his right shoulder He would have been killed in the riots yesterday But they were good people— Seeing a cow, they let him go! Written in Gulzar's inimitable style, the poems in his newest volume of poetry reflect and comment, sometimes elliptically through a visual image, sometimes with breathtaking immediacy and directness, on the political reality in the country today. Powerful, poignant and impossible to ignore or gloss over, the fifty-two threads that make up Suspected Poems unfold across the entire political spectrum—from the disturbed climate in the country and the culture of intolerance to the plight of the aam aadmi, from the continued oppression of Dalits and minority communities to fluctuating Indo–Pak relations. Varma, Suspected Poems, made available in a special keepsake bilingual edition, will delight every reader of poetry and Gulzar's many fans.

He hides behind a human-seeming face, tracks down cheaters and on the nights when the moon is loudest kills them. Later, he hangs them in public after extracting their hearts out. He is on the side of Truth and Justice. Still a

monster, of course, but he takes an extra-long shower after every killing, letting the cold water wash away all impurities from the body and mind. And, after a fresh shower, he is again the tall dark handsome, happy-go-lucky, quirky Kaash.

Because He Is... Meghna Gulzar 2018-09-01 'Papi says it is wrong of parents to presume that they know better, or know more than their child does. They may be biologically older than their child, but in their experience as parents, they're of the same age. So if I was his two-year-old daughter, he was my two-year-old father. And we were

both learning and evolving together -- he as my father and me as his daughter.' All of us know Gulzar as a film-maker, screenplay and dialogue writer, lyricist par excellence, author and poet. Because He Is... presents a facet of the icon that none of us are aware of -- as a father. In iridescent prose, his daughter, Meghna, documents his life, revealing the man behind the legend: in every way a hands-on father, who prepared her for school without fail every day, braiding her hair and tying her shoelaces, and who despite his busy career in cinema, always made it a point to end his workday at 4 p.m. because her school ended at that time, and who wrote a book for her birthday every year till she was thirteen. From her earliest memories of waking up in the morning to the strains of him playing the sitar to him writing the songs for her films now, Meghna presents an intimate portrait of a father who indulged her in every way and yet raised her to be independent and confident of the choices she made. She also records his phenomenal creative oeuvre, the many trials and tribulations of his personal and professional life, through all of which she remained a priority. Beautifully designed and illustrated with never-before-seen photographs, Because He Is... offers an incredible insight into the bond between a father and a daughter.

Pluto Gulzar 2015-02-15 Every poem has a season If not harvested in time, it wilts. Words wither and hang from limp metaphors. Colours fade, and the poem Drifts like fallen autumn leaves. 'Pluto lost its status as a planet only recently. Seeing Pluto sad on being rejected thus, my heart sinks. It is so far away, so tiny, so all my pint-sized

poems I gift to it,' says Gulzar. In this exquisite collection of short poems, Gulzar addresses his pet themes - relationships, his relationship with God, Nature, Time, the art of poetry - with characteristic wit and brevity, and the uncommon ability to find meaning in the mundane. The bleakness of these verses on man's violence against Nature, religious fundamentalism, physical illness and spiritual turbulences are leavened by an undertone of optimism. In Gulzar's work, even the darkest moments are filled with light; hope never gives way to despair. Beautifully rendered into English by Nirupama Dutt - and including, for the first time in a volume of his poetry in English, a collection of the poet's own sketches - this is a collection to savour and treasure.

Silences Gulz?ra 1994 The book is a compilation of some of Gulzar's poetry, translated by Rina Singh. Gulzar's songs, Gulzar's dialogues, Gulzar's films, all have one quality-they carry the 'rasa' of poetry because basically he remains a poet.

Bimal Roy Rinki Roy Bhattacharya 2009-07-15 Udayer Pathe, Bimal Roy's first film, revolutionized Indian cinema. Hailed as a pioneer by Satyajit Ray, he was perhaps the first to bring shades of grey to the black-and-white screen. Roy's spare storytelling and nuanced understanding of the human condition are reflected in classics like Devdas, Sujata and Madhumati. His ability to illuminate ordinary characters like Shambhu in Do Bigha Zamin and Kalyani in Bandini, is attested to by their being a part of popular memory even to this day. The Man Who Spoke in Pictures is not just a eulogy to this great director, but also an insight into Roy, the man, the director and his art. The

auteur's little-known Bengal phase is chronicled by Mahasweta Devi and Amit Chaudhuri, as well as Tapan Sinha, Amit Bose and other greats of cinema who trace his journey from cinematographer to director. His Bombay years are recorded through a collection of analyses and anecdotes from leading literary and cinematic luminaries, including Nayantara Sahgal, Gulzar, Naseeruddin Shah and Khalid Mohammed. The final section examines Roy from the outsider's perspective, with articles by Meghnad Desai, Rachel Dwyer and Paula Mayhew.

Slow Birds Ian Watson 2011-09-29 Where do the metal death gliders come from? To the glass-sailors of the five villages the slow birds that inched over the Earth at shoulder height, appearing and vanishing, were a mystery - until young Daniel climbed aboard one of the scarred Missiles and vowed to find out where it went Ian Watson's third short story collection is his best yet: a brilliant array of original and imaginative inventions that plunge the reader into strangely familiar new worlds.

Footprints on Zero Line Gulzar 2017-08-25 The Partition of 1947 has influenced the works of an entire generation of writers, and continues to do so. Gulzar witnessed the horrors of Partition first-hand and it is a theme that he has gone back to again and again in his writings. Footprints on Zero Line brings together a collection of his finest writings -- fiction, non-fiction and poems -- on the subject. What sets this collection apart from other writings on Partition is that Gulzar's unerring eye does not stop at the events of 1947 but looks at how it continues to affect our lives to this day. Wonderfully rendered in English by well-known author and translator Rakhshanda Jalil, this

collection marks seventy years of India's Independence. Footprints on Zero Line is not only a brilliant collection on a cataclysmic event in the history of our nation by one of our finest contemporary writers, it is also a timely reminder that those who forget the errors of the past are doomed to repeat them.

Neglected Poems Gulzar 2012-01-19 Gulzar is regarded as one of India's foremost Urdu poets today, renowned for his unusual perspectives on life, his keen understanding of the complexities of human relationships, and his striking imagery. After Selected Poems, a collection of some of his best poetry translated by Pavan K. Varma was extremely well received, Gulzar has chosen to present his next sixty poems in an inimitable way: labelling them Neglected Poems. 'Neglected' only in name, these poems represent Gulzar at his creative and imaginative best, as he meditates on nature (the mountains, the monsoon, a sparrow), delves into human psychology (when a relationship ends one is amazed to notice that 'everything goes on exactly as it used to'), explores great cities like Mumbai, Chennai, Kolkata, Delhi and New York ('In your town, my friend, how is it that there are no homes for ants?'), and confronts the most telling moments of everyday life.

Two Gulzar 2017-11-25 It's the winter of 1946. A truck leaves the village of Campbellpur after news of the impending Partition pours in. It is carrying people who don't know where they will go. They have just heard words like 'border' and 'refugee', and are struggling to understand how drawing a line might carve out Pakistan from

Hindustan. As they reach the border, the caravan disperses and people go their own ways. Gulzar's first novel tracks the lives of the people in that truck right from 1946 up to the Kargil war. A novel on what the Partition entailed for ordinary people, *Two* is also a meditation on the fact that the division of India and the carnage that followed, once set into motion, kept happening inexorably and ceaselessly, and people like those who left their homes on that truck never found another home; they kept looking for a place called home, a place to belong to.

Green Poems Gulzar 2014-06-01 'On the branches of these wild plants Some words occasionally sprout But never a full poem . . .' One of the country's best-loved poets and lyricists, Gulzar is renowned for his inimitable way of seeing things, his witty expressions, his quirky turns of phrase. All these creative talents come into play in delightful, unexpected ways in his new bilingual collection Green Poems, which celebrates his innate connection with nature. Gulzar writes about rivers, forests, mountains; snow, rain, clouds; the sky, the earth and space; a familiar tree, a disused well; Kullu, Manali, Chamba, Thimpu. Like glimpses of nature, the poems are often short, an image captured in a few words. And sometimes the image gives rise to a striking thought: 'When I pass through the forest I feel my ancestors are around me . . .' For those new to Gulzar's work as well as his many fans, Green Poems will prove to be a true joy.

A Fistful of Dust Nasser Hashmi 2015-11-28 Widower Shah Rafiq moves in with his daughter Nadia after being diagnosed with an industrial disease. Once he's settled in,

he sleeps in his grandson's empty bed – who is presumed to be in Kashmir, helping out with the aftermath of the 2005 earthquake. But one morning, Shah intercepts a letter addressed to Nadia and her husband. It's from Wasim, who is not in Kashmir at all, but Iraq, where he is fighting US-led forces. Shah decides to abandon everything and fly out to Iraq and bring his grandson home. He leaves a note for his daughter and sells his car. He takes a flight from Manchester to Vienna and then on to Kurdistan. Once he gets into Iraq, he uses the cash from the house sale, his car and his personal savings to track down Wasim in Sadr City. After a series of scrapes, which include an exorcism ritual and a romantic entanglement involving his grandson, he eventually brings Wasim home to his parents. Back at home, Wasim regrets his actions and promises to change. He fights a campaign against industrial disease and tries to get compensation for his grandfather. Shah believes this is the right form of jihad. But police eventually raid Wasim's house and he has to stand trial accused of terrorism overseas. If he is sentenced, it will be the catalyst of several devastating events for the Rafiq family...

Gulzar's Angoor Sathya Saran 2019-02-25 Angoor (1982) is among the best-loved comedies in Hindi cinema. It is also a perfect example of Gulzar's genius as a writer complete with his impish wordplay. Through extensive interviews with some of the main actors in Angoor (Deepti Naval and Moushumi Chatterjee) and its earlier version - both adaptations of Shakespeare's Comedy of Errors - this book traces the evolution of a comic tale that continues to amuse audiences of all ages. It deftly peels the layers

exploring how song, dialogue, silences and wordplay add to the actors' arsenal in creating humour that can range from rib-tickling mirth to guffaws. Sathya Saran's book reveals what lies behind the evergreen appeal of *Angoor*, with memories and anecdotes shared by Gulzar himself.

**Violence and Resistance in Sikh Gendered Identity** Jaspal Kaur Singh 2020-05-25 This book examines the constructions and representations of male and female Sikhs in Indian and diasporic literature and culture through the consideration of the role of violence as constitutive of Sikh identity. How do Sikh men and women construct empowering identities within the Indian nation-state and in the diaspora? The book explores Indian literature and culture to understand the role of violence and the feminization of baptized and turbaned Sikh men, as well as identity formation of Sikh women who are either virtually erased from narratives, bodily eliminated through honor killings, or constructed and represented as invisible. It looks at the role of violence during critical junctures in Sikh history, including the Mughal rule, the British colonial period, the Partition of India, the 1984 anti-Sikh riots in India, and the terror of 9/11 in the United States. The author analyzes how violence reconstitutes gender roles and sexuality within various cultural and national spaces in India and the diaspora. She also highlights questions related to women's agency and their negotiation of traumatic memories for empowering identities. The book will interest scholars, researchers, and students of postcolonial English literature, contemporary Indian literature, Sikh studies,

diaspora studies, global studies, gender and sexuality studies, religious studies, history, sociology, media and films studies, cultural studies, popular culture, and South Asian studies.

My Years in a Pakistani Prison Kishorilal Sharma 2013-10-28 He was called for his service to the motherland. He reciprocated immediately. Giving up all familial relationships, he partook in a rigorous training programme that was a true test of his heart, body, mind and soul. Fighting off his cowardly hopes of quitting the organization so as to avoid the ordeal, he was finally made battle ready. Slipped into enemy territory, his espionage attempts met with complete success. However luck soon turned against him, as during his third mission he was seized by the enemy camp and imprisoned. He was subjected to absolute third degree torture and only miraculously, and albeit divinely, escaped the contours of death on more than one occasion. But he continued to strive towards seeing his own country once again. He looked forward to coming back home. And one day, God gave him that chance. He returned to the border once again, so that he could be united with his fellow countrymen. Was the welcome given to him befitting that of a hero? Or even if not a hero's welcome, certainly he needn't have been treated like a blackguard, a traitor! Who was he after all a Spy, or a Soldier?

I Swallowed the Moon Saba Mahmood Bashir 2013-10-05 A comprehensive analysis of the work of one of India's foremost poets Gulzar is arguably the most well-known contemporary poet writing in Hindustani. As a poet he occupies a unique place being a

Progressive poet in a popular culture. His poetry appeals to all strata of society, without compromising either on literary merit or on its ability to convey the most exalted thought in an accessible idiom. In 'He Swallowed the Moon', Saba Bashir attempts to analyse what makes Gulzar the poet he is. What is his signature style? What are the issues that concern his poetry and what are the recurrent images in it? She also draws a parallel between the poet's film and non-film poetry and points out how they are used interchangeably. Including the most comprehensive list of all Gulzar's poems, film and non-film songs, this is a valuable addition to the corpus of work on a great poet.

Poems Come Home Sukrita Paul 2011-05-05 Sukrita's poetry lives and breathes the world of everyday turmoil: the homeless shivering in the rain; the guard at the Viceregal Lodge recounting his strange fascination for the cold, blue eyes of his former masters; the transience of memory; the fear of looking too closely, lest one's suspicions be confirmed; the loneliness of old age in a cold country ... Gulzar's translations - the 'original' that lurked somewhere in the English poems, perhaps - bring to life a parallel world of quiet elegance and intensely felt emotions. In the poet's own words, it is in these translations that 'these poems come home'.

Treyvon M.K. Eidem 2017-02-28 General Treyvon Rayner is the Supreme Commander of the Kaliszian Defenses. He is the cousin and trusted friend of the Kaliszian Emperor, Emperor Liron Kalinin, in spite of Treyvon's ancestor being one of the causes of the

Great Infection so many centuries ago. It is never far from Treyvon's mind, and he vowed he'd spend his entire life trying to make things right. Chef Jennifer Neibaur dreamed of traveling to exotic places, of experiencing different cuisines, and learning how to prepare them. Her dream came true, but at a high price. She lost her sister. Her husband died. And she was severely injured. All that was enough for her to welcome death. But for a chef to end up in a place where food was just sustenance, and never something enjoyed, was the ultimate punishment. Two strong, honorable people are both trying to find forgiveness and redeem themselves for things that were out of their control. Neither is looking for love. But if they can accept it, the forgiveness they find might be for more than just themselves.
