The Prisoner's Release and Other Stories Kyell Gold 2010-12 This collection brings together the two-part short story which originally appeared in Heat #1 and Heat #2 -- "The Prisoner's Release" -- with three entirely new tales set in the world of Argaea.* "Inside the Cage" takes place at the Jackal's Staff where a young cougar seeks to escape his life of prostitution.* "The Prisoner's Release" previously appeared in Heat #1 and Heat #2 and tells the story of how Volle met Streak.* "Home Again" picks up just after "The Prisoner's Release" when Volle and Streak have returned Ferrenis and fills in some details leading up to their ill-fated return to Tephos in "Pendant of Fortune." * Finally we return to the Jackal's Staff in "For Love or Family", this time through the eyes of a patron trying to balance the way he feels against the duties of his station.

Furry Nation Joe Strike 2017-10-03 Winner of the 2017 Ursa Major Award for Best Non-Fiction Work! Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It's existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In *Furry Nation*, author Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal—and how Furry transformed his own life.

Shadow of the Father Kyell Gold 2010-11-15 Yilon is a young fox noble who's just come of age, in the city of Divalia, capital of Tephos. But apart from his best friend and sometime lover Sinch, he doesn't like much about living there. He only met his father, Volle, two years ago, when he left his mother and the city where he grew up. He would give anything to be allowed to leave Divalia. Or so he thinks. When a stranger arrives with a message that the Lord of Dewanne has died and appointed Yilon his heir, the young fox realizes that there are worse places than Divalia. Dewanne is one of the most remote cities in Tephos, where foxes rule, and mice are relegated to menial jobs and a slum outside the main city. Which makes it difficult for Yilon to explain why his companion is a mouse. Ever the schemer, Yilon hatches a plan to get sent home, but soon finds that even in a backwards town, there are complicated politics, ancient blood feuds, and family betrayals, old wounds that his clumsy steps have reopened. There are at least two different groups trying to kill him, and the foxes who might help him are the very ones he's done his best to alienate. Without Sinch, who's run afoul of a band of thieves in the slums and has his own death threats to deal with, Yilon will need all the stubbornness and cleverness he's inherited from his father just to survive to the next sunrise, let alone save his inheritance, his friend, and his own hide.

Sinclair and Trevor A Trick of the Light After the Trick Volle Kyell Gold 2010-12 Volle thought life as a spy-in-training was pretty easy: do as little as possible, and spend all his free time sleeping with the other young males in Caril. He never expected to be the one chosen for a critical mission to impersonate a noble in the neighboring country of Tephos-- and neither did his superiors. They don't want to send him, and he doesn't want to go, but the mission calls for a fox, and he's the only one qualified. So off he goes, with a couple friends, a fake history, and very little to go on about the plot he's supposed to uncover. Now he must master the life of a noble and

search for information while navigating the many pitfalls and temptations that surround him. And the temptations are plentiful: a young wolf prostitute, a shy fox courtesan, a handsome soldier. With noble friends to help him, he gains confidence quickly, but self-doubt continues to plague him. When events begin to spiral out of his control, he must discover whether he has the inner strength to save his country and his own heart.

He is soon enmeshed in a web of murder and intrigue set in motion by his longtime enemy Dereath Talison, endangering him and his friends. To regain the life and status he wishes for without losing the love he has, Volle must confront some unpleasant truths about himself and those closest to him, and solve a mystery that reaches far beyond a dead body, into the reaches of the heart.

Divisions Kyell Gold 2013-07-01 It's been over a month since Devlin Miski came out publicly, and no other professional athlete has followed suit. Dev just wants to put it all behind him and play football, helping his Chevali Firebirds win their first-ever division title. If only his teammates--and everyone else--could just let it go, he'd be fine. But there's one teammate in particular who seems determined to make his life difficult... And for his boyfriend Lee, the past is never laid to rest. If it isn't his parents' troubled marriage, it's an old friend pulling him back into gay rights activism. Lee could make a splash by getting Dev to promote gay rights, but he knows it would distract Dev from football. So he has to balance the pressures of the outside world against the needs of his relationship, and even for a clever fox, that's a tall order. In this third volume of Dev and Lee's story, the tiger and fox continue to explore their relationship. Personalities clash and dreams are on the line as Dev and Lee navigate their very public lives and try to stay true to themselves.
